

Nintendo Gateway - Super NES Executive Game Summary

Game Title **Panel de Pon** (*all text is in Japanese*)

Trademark Attribution © 1995 Nintendo

Game Description: Panel de Pon is the Japanese version of Tetris Attack™ -- a puzzle game in which you rearrange the order of a stack of panels in order to clear them. As the stack begins rising, switch two horizontally adjacent panels. If you place at least three identical panels in a row, vertically or horizontally, they will disappear. If the stack of panels touches the top the game is over.
